

## Guide for Pre-booking casual user slot online for Lourdes Stadium

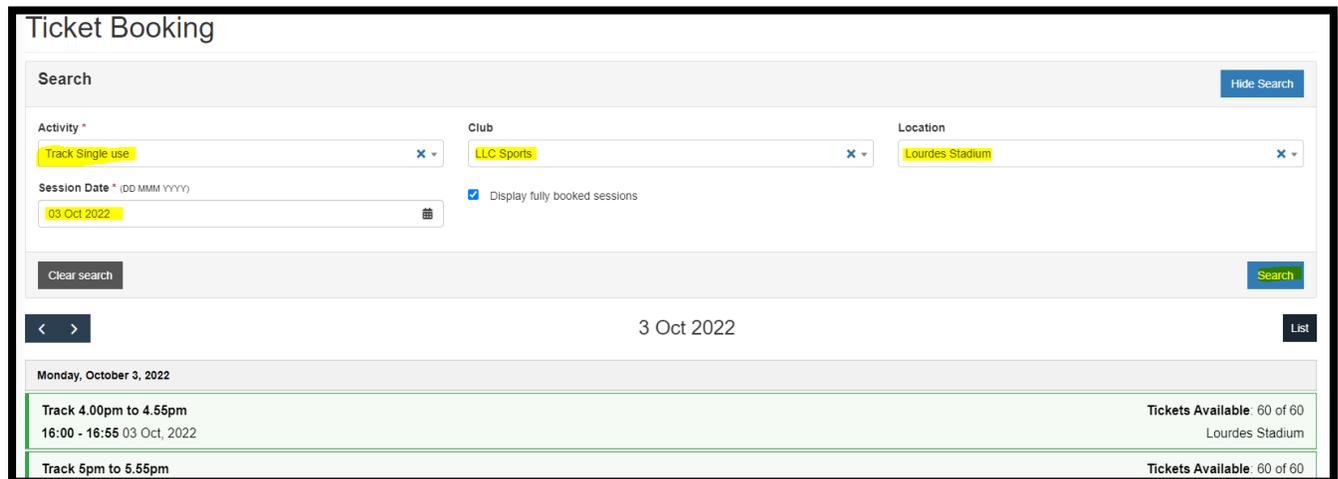

1. When on the Lourdes Stadium website click the **'Pricing/Bookings'** tab.

2. Scroll down the page and under the 'casual user' subheading click **'Prebook your slot'**.

3. This will direct you to the 'Ticket Booking' platform. Please select the Activity (Track or Bowling Green), Club (either), Location (Lourdes Stadium) and Date you wish to pre-book. Then click **'Search'** to see available options for that date.

**Note:** Some track slots are shared with clubs. In this instance, only lanes 7+8 can be used by casual users and capacity therefore reduced (similar to the image below).
